

ARP/HEERF III Student Funds Disclosure

We have signed and returned the Red Certification and Agreement for CRRSSA/HEERF II funds.

The total funds received by the institution was \$22,628.00 and \$10,050.00 was distributed to students.

The number of students eligible to receive CRRSSA/HEERF II funds was 22.

The number of students to receive the emergency grant was 22.

Each student completed a survey with questions to determine how the grant monies would be divided. Once the survey was completed, the school personnel assigned a value to each answer, totaled each one and that determined how much each student would receive. The grants ranged from \$325.00 to \$575.00.

All students had to sign a document explaining the funds they would receive and a sample list of what the funds could be used for such as rent, car payments, groceries, and other daily living necessities. It also explained how the money was divided and that the funds did not have to be repaid. They all signed a receipt when they received the check.

No refunds were due to any student as DCI Career Institute does not have dormitories or meal plans.
