

**DCI Career Institute
Annual Security Report
For Year 2015
Reported by October 1, 2016**

DCI Career Institute has policies in place regarding the procedures for students and others to report criminal actions or other emergencies occurring on campus. In the event that a situation arises, either on or off campus, that, in the judgment of the Mall Security or DCI Executive Director/Assistant Director, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through any/all of the following routes (as deemed appropriate for the situation): the school intercom system, the school website www.dci.edu, the school facebook page, and email to students, faculty and staff. In addition staff and faculty not present on campus will be contacted by phone.

Depending on the particular circumstances of the crime or other emergencies, especially in situations that could pose an immediate threat to the community and individuals, the Mall Security may post something on their website at <http://shopbeavervalley.com>. The posting will provide the campus community with more immediate notification and direction.

Anyone with information warranting a timely warning should report the circumstances to the DCI Career Institute Executive Director/Assistant Director by phone (724-728-0260) or in person at the office located at 366 Rt.18, Beaver Valley Mall, Monaca, PA 15061. If the person reporting is more comfortable providing this information to faculty or staff they may do so. Faculty or Staff receiving this information will report it directly to Executive Director/Assistant Director immediately. In an effort to prevent similar crimes, DCI will in a timely manner while keeping confidential the names and other identifying information of victims, report crimes to the campus community. Examples of these would be (but not limited to) Clery crimes, crimes reported to campus security authorities, considered by the institution to represent an immediate threat to students and employees.

Victims or witnesses may report crimes on a voluntary confidential basis for inclusion in the annual disclosure of crime statistics. Reporting is carried out by DCI Career Institute by respecting the individual’s rights. If you are the victim of a crime and do not want to pursue action within the school system or the criminal justice system, you may still want to consider making a confidential report. With your permission the Executive Director/Assistant Director can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the campus can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to

potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Preparation of disclosure of crime statistics at DCI Career Institute is handled by The Executive Director/Assistant Campus Director of DCI Career Institute. They prepare the report to comply with the Jeanne Clery Disclosure of Campus Security Police and Crime Statistics Act. The full text of this report can be located on our web site at <http://dci.edu/wp-content/uploads/2015/09/2015-DCI-Annual-Security-Report.pdf>.

This report is prepared in cooperation with the local law enforcement agencies surrounding our campus and the documentation tracked by the Executive Director/Assistant Director of DCI Career Institute. Each entity provides updated information to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the Beaver Valley Mall Security, the Center Township Police Department, and DCI Career Institute. These statistics may also include crimes that have occurred and are not required by law to report.

Each year, a letter of notification is distributed during each class session at the end of September to all enrolled students that provides the web site to access this report. Faculty and staff receive similar notification by email. Copies of the report are emailed to all students and may also be obtained from the Director of Admissions office at 366 Rt.18, Beaver Valley Mall, Monaca, PA 15061.

Security of and access to campus facilities is supported by 24-hour security offered by the Mall Security for the Monaca Campus. During business hours, the campus will be open to students, employees, guests and invitees. The main lobby or point of entry is monitored during business hours by the front desk staff. All guests sign in upon entering the building and sign out upon leaving at the front desk. During non-business hours access to all campus facilities is by key. Emergencies may necessitate changes or alterations to any posted schedules. DCI Career Institute does not provide on-campus student housing.

DCI Career Institute handles the reporting of criminal offenses with the participation of all staff members at the school. All staff members at DCI Career Institute are responsible for campus security. Unauthorized visitors should be reported to the Director. The administrative office section of the DCI Career Institute offices is locked at 10:30 p.m. Monday through Friday, in Monaca and at 5:30 PM on Fridays. The institution is located in the Beaver Valley Mall which provides 24 hour security for the location. Assistance in emergencies from Mall Security can be requested by calling the Mall Security Office at 724-774-5639 or call 9-1-1. Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside the building or around the school should be reported to the Executive/Assistant Director, or Mall Security. In addition, you may report a crime to any staff member at DCI Career Institute.

Beaver Valley Mall Security Officers have the authority to ask persons for identification and to determine whether individuals have lawful business at DCI Career Institute. Criminal incidents are referred to the local police who have jurisdiction on the campus. The Beaver Valley Mall Security Officers do not have the authority to make arrests but they maintain a highly professional working relationship with the Center Twp. Police Department. All crime victims and witnesses are strongly encouraged to immediately report the crime to the Executive Director/Assistant Director of DCI Career Institute and the Beaver Valley Mall Security Offices and the Center Twp. Police Department. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

The Center Twp. Police Department maintains a close working relationship with the Beaver Valley Mall Security Offices and the Executive Director/Assistant Director of DCI Career Institute. The Beaver Valley Mall Security Staff and the Center Twp. Police Department communicate regularly on the scene of incidents that occur in and around the campus area. There is no written memorandum of understanding between DCI Career Institute and the Center Twp. Police Departments at this time. Upon request from DCI Career Institute the Mall Security works in partnership to provide extra presence and heightened awareness for students experiencing special circumstances.

The Executive Director/Assistant Director encourages anyone who is the victim or witness to any crime to promptly report the incident to the Executive Director/Assistant Director, Mall Security or Center Twp. Police Department. Because police reports are public records under state law, DCI Career Institute cannot hold reports of crime in confidence.

Through coordination with the Beaver Valley Mall Security and the Center Twp. Police, any criminal activity engaged in by students or others on campus or the surrounding areas, is monitored and enforced by these authorities.

Accurate and Prompt Crime Reporting is carried out at DCI Career Institute by the entire staff. Students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Executive Director/Assistant Director of DCI Career Institute in a timely manner.

To report a crime or an emergency to the Executive Director/Assistant Director or any staff member at DCI Career Institute, just ask to speak to the specific individual and they will complete an internal incident report. If the matter is significant the

DCI Career Institute staff member will immediately contact the Beaver Valley Mall Security Group and/or Center Township Police Department.

If assistance is required by the Center Twp. Police Department, the DCI Career Institute staff member will contact the Police Department and ask for assistance. If an alleged sexual assault or rape should occur, the DCI Career Institute staff member will offer the contact information to a local clinic like Adagio Health or Heritage Valley emergency room and share with the victim information contained in the Sexual Violence Education Compliance Package. Adagio health has many locations that can provide free or low cost confidential services like STD testing/treatment, pregnancy prevention and emergency contraception to name a few. Heritage Valley emergency room is open 24 hours and is equipped to offer rape kits as well as treatment. DCI also maintains a list of options for counseling available at local agencies like the Beaver County Women's Shelter, and Behavioral Health to name a few that is available for distribution.

Crimes should be reported to the staff at DCI Career Institute to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

The Executive Director/Assistant Director at DCI maintains a Crime Log that records, by the date the crime was reported, any crime that occurred on campus.

The Log includes:

- Date of entry
- Incident report date
- Date/time of the crime
- Nature/type of crime/complaint
- General location of crime
- Disposition of complaint, if known

A campus may withhold information required above if there is clear and convincing evidence that the release of information would:

- Jeopardize an ongoing criminal investigation or the safety of an individual
- Cause a suspect to flee or evade detection
- Result in the destruction of evidence

The campus must make an entry or an addition to an entry to the log within two business days of the report of the information to the campus authority, unless that disclosure is prohibited by law or would jeopardize the confidentiality of the victim.

The campus must make the crime log for the most recent 60-day period open to public inspection during normal business hours. The campus must make any portion of the log older than 60 days available within two business days of request for inspection.

Exempt from reporting is Pastoral and Professional counselors. DCI does not have either on campus. DCI Career Institute does not have procedures for voluntary, confidential reporting of crime statistics from those sources. Violations of the law will be referred to law enforcement agencies. When a potentially dangerous threat to the campus community arises, timely reports or warnings will be issued through e-mail announcements, the in-house intercom system, in-class announcements, and the posting of flyers at the campus, or other appropriate means.

DCI Career Institute provides a Policy Statement Addressing the Security Awareness Programs for Students and Employees at various times throughout the year. The policy encourages students and employees to be responsible for their own security and the security of others. For all students the policy statement will be reviewed during their orientation process prior to the start of their first day of class. The employees will review the statement once a year at the monthly staff meeting in October following the submission of the annual Campus Crime Statistics. Periodically during the year tips from the Beaver Valley Mall security for parking lot safety and theft reduction from vehicles is distributed to all students in paper format.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

DCI Career Institute provides information in the Student Handbook for the review by all students and staff members to inform them about the prevention of crimes. DCI Career Institute does not have off-campus activities, therefore we do not monitor activities off campus.

DCI Career Institute is a drug free and alcohol free environment and students and staff sign off on this policy on a biennial basis. The students address this area during their orientation process, and the staff review the policy biennial during their spring in-service meeting.

The enforcement of alcohol laws on-campus is the primary responsibility of DCI Career Institute, with the support of the Beaver Valley Mall Security Departments. Violators are subject to campus disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of ages in a public place or a place open to the public is illegal. Organizations or groups

violating alcohol/substance policies or laws may be subject to sanctions by DCI Career Institute.

DCI Career Institute has been designated as a “Drug Free” campus. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by DCI Career Institute. Violators are subject to DCI Career Institute disciplinary action, criminal prosecution, fine and imprisonment.

DCI Career Institute maintains drug and alcohol education information and a list of counseling, treatment, and support services that can be obtained in the Administration Office. The school has designated the Executive Director/Assistant Director as a contact person who is available to hear concerns regarding drug and alcohol use, and to offer referrals, advice and information on drug and alcohol education and services in the community. Issues discussed with the contact person will be kept confidential. A list of Treatment, Support Services, and descriptions of services can be obtained from the Executive Director/Assistant Director.

DCI Career Institute conducts training on drug and alcohol addiction and rehabilitation for students and staff twice a year. Local rehab representatives provide educational power point presentations describing trends in substances being abused in our local area, identification of, signs and symptoms of abuse, treatment options and legal aspects of abuse. Review of Good Samaritan Law in PA that provides immunity from prosecution for certain drug crimes for individuals who seek emergency medical help when friend or companion overdoses on drugs. Awareness of Naloxone, a life saving opioid overdose antidote that many first responders carry.

In accordance with The Higher Education Opportunity Act (HEOA) DCI Career Institute will, upon written request, disclose to the alleged victim of a crime of violence, or non-forcible sex offense, the results of any disciplinary hearing conducted by the school against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, DCI Career Institute will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

DCI Career Institute has an “Emergency Response and Evacuation Procedure” that is outlined in our student handbook and reviewed by all staff and students annually. Fire Drills including emergency evacuation procedures are conducted by DCI employees and students annually. Practice drills are also conducted on moving to safe shelter areas for emergency situations annually.

DCI Career Institute is committed to preventing Sexual Violence by providing Sexual Violence Education Compliance Package to all students and staff. This occurs once during each enrollment cycle for the students, and once each year for the staff. The information provided meets the requirements outlined in the Higher Education Act on “The Sexual Violence Education at Institutions”.

DCI Career Institute educates the student community about sexual assault, dating violence, domestic violence, stalking, date rape, consent, and safe bystander intervention through a power point presentation and group discussion/activity on various scenarios. The presentations occur at a minimum of once every 3 months for all class sessions. The local Woman’s Shelter offers sexual assault education and informational programs to DCI Career Institute students and employees at a minimum of once every year. Literature on date rape education, risk education, STD’s, 24 hour hotline and services and DCI Career Institute response is available through the Career Services/Student Services room. Various presentations from organization like Pittsburgh Aids Task Force and Adagio Health occur during the year for the student population and employees. These organizations provide literature and pull tab posters (with contact info) upon request when supplies run low. The pull tab posters are posted in student restrooms for students to discreetly obtain contact information.

The Violence Against Women Reauthorization Act of 2013 (VAWA) requires institutions to compile statistics for certain crimes that are reported to campus security authorities or local police agencies including incidents of sexual assault, domestic violence, dating violence, and stalking. In order to prevent these occurrences, students / employees should adhere to the following policy:

- Any victim subject to sexual assault, domestic violence, dating violence or stalking should immediately notify campus authorities and local police.
- The campus staff will assist the student in reporting these offenses at the student’s request.
- The campus will also assist students with counseling, mental health services, and other available resources. Information may be obtained from the Executive Director/Assistant Director about availability of local counseling services.

Definitions. **Domestic Violence**-felony or misdemeanor crime of violence committed by a current or former spouse of victim, by a current or former spouse of victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of D.C.

Stalking-A person commits the crime of stalking when the person either: engages in a course of conduct or repeatedly commits acts toward another person,

including following the person without proper authority, under circumstances which demonstrates either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person; or engages in a course of conduct or repeatedly communicates to another person under circumstances which demonstrate or communicate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person.

Sexual Assault-Sexual intercourse or deviate sexual intercourse without the victim's consent.

Dating Violence-Violence committed by a person: who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: length of relationship, type of relationship, frequency of interaction between the persons involved in the relationship.

Consent-Words or overt actions by a person who is a legally or functionally competent to give informed approval, indicating a freely given agreement to have sexual intercourse or sexual contact.

If you are victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Mall Security and Executive Director/Assistant Director strongly advocate that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to the DCI Title IX Coordinator listed in the student handbook. Filing a report with the Mall Security and the Center Twp. Police will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers or DCI staff. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim.
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Mall Security, the Center Twp. Police will also be notified. The victim of a sexual assault may choose for the

investigation to be pursued through the criminal justice system and the DCI Career Institute Conduct Review, or only the latter. A DCI Career Institute representative or the Mall will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from DCI Career Institute through the local Women's Shelter and the Beaver County Mental Health Association. Counseling and support services outside DCI Career Institute can be obtained through the Rape and Sexual Abuse Center of the local police department.

DCI Career Institute disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the *Student Handbook*. The *Handbook* provides, in part, that the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. A student found guilty of violating the campuses sexual misconduct policy could be criminally prosecuted in the state courts and may be terminated from DCI Career Institute for the first offense.

Student victims may request a meeting with the Executive Director/Assistant Director to review options that might be reasonably available to change their academic situation after an alleged sexual assault. The program may have class offerings during another session time or at starting on another date. At this time information could be obtained for bus routes/transportation, housing options and working situations from the various resources displayed in the student resource room or available internet.

TITLE IX NOTICE OF NONDISCRIMINATION. DCI Career Institute prohibits discrimination on the basis of sex in educational programs and all operations of the school, in compliance with Title IX of the Education Amendments of 1972. Sex discrimination includes sexual harassment and sexual violence. Inquiries concerning the application of Title IX may be referred to DCI's Executive/Assistant Director or to the Office of Civil Rights. For additional assistance related to civil rights under Title IX, contact the Office For Civil Rights:

Office for Civil Rights

Sexual harassment involves a school employee explicitly or implicitly conditioning a student's participation in an education program or activity, or basing an education or employment decision on the student's submission to unwelcome sexual advances,

requests for sexual favors, or other verbal, nonverbal, or physical conduct of a sexual nature. Similarly, no employee, agent, or third party shall promise, imply, or grant any preferential treatment to any student for engaging in sexual conduct or submission to sexual harassment.

Hostile environment harassment can include unwelcome sexual advances, request for sexual favor, and other verbal, nonverbal, or physical conduct of a sexual nature. This type of sexually harassing behavior is sufficiently severe, persistent, or pervasive as to limit a student's ability to benefit from an education program or activity, or has created a hostile or abusive educational or work environment. Acts of physical aggression, intimidation, hostility, or unequal treatment based on sex are example of a hostile environment. This type of sexual harassment also includes a display in the workplace of sexually suggestive objects or pictures or graphic verbal commentaries about an individual's body, dress, or habits.

Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol, or due an intellectual or other disability. Sexual violence includes rape, sexual assault, sexual battery and sexual coercion.

Grievance Procedures. Any DCI student who feels that he or she is a victim of or a witness to sexual harassment or sexual violence, including but not limited to any of the conduct listed above, by any DCI employee, student, or third party, should report the matter to the Executive Director/Assistant Director.

The Executive Director/Assistant Director will promptly investigate all allegations of sexual harassment in as confidential a manner as possible. The investigation will be initiated within seven calendar days of the student's complaint, and the Executive Director/Assistant Director will inform the complainant of his or her right to file a criminal complaint, if applicable.

The complainant may be asked to appear before the Executive Director/Assistant Director and/or an ad hoc Grievance Committee to answer questions about the allegation(s). The Committee may call such witnesses as are appropriate, and the complainant or alleged harasser or perpetrator may also request that the Committee hear witnesses. Both parties have an equal right to present relevant witnesses and other evidence, and both parties will have similar and timely access to any information used at the hearing. The committee uses the preponderance of evidence standard to evaluate complaints.

If the complainant requests that his or her name be kept confidential, that request will be honored. However, such a course of confidentiality may hinder the investigation and/or limit the school's ability to respond to the situation.

The school will take immediate action and any interim steps necessary to eliminate a hostile environment or to protect the complainant, prior to the final outcome of the investigation.

The Executive Director/Assistant Director will maintain documentation of the allegation(s) and any related hearing(s), and provide written notice to both parties of the outcome of the investigation and any related hearing(s) within seven days of the conclusion of the investigation and hearing(s). The complainant will be notified of any sanction imposed upon the harasser. The Executive Director/Assistant Director will make follow-up inquiries to the complainant(s) upon conclusion of the investigation which should be concluded within 30 to 60 calendar days.

Any employee, student, agent or third party who is determined, after such investigation, to have engaged in sexual harassment or sexual violence in violation of this policy is subject to appropriate disciplinary action, up to and including dismissal, expulsion, contract termination, and/or appropriate legal action. The institution will take any and all reasonable steps to prevent the recurrence of sexual harassment and sexual violence.

Appeal Procedures. Either party in the grievance procedure has the right to appeal the outcome of the investigation and hearing(s). Such appeal must be made in writing to the Executive Director/Assistant Director, within ten calendar days of the date of the written notice of the outcome. An ad hoc Grievance Committee will hear the appeal and a written decision will be sent to the appellant within three calendar days of the appeal hearing. The decision of the Grievance Committee is final.

Retaliation Is Prohibited. Retaliation against a sexual harassment or sexual violence complainant by any employee, student, agent or third party is prohibited. Likewise, retaliation against any witness or other participant in a Title IX hearing or investigation by any employee, student, agent or third party is also prohibited. Any such retaliation will be grounds for disciplinary action, up to and including dismissal, expulsion, contract termination and/or appropriate legal action.

The Campus Sex Crimes Prevention Act (CSPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. The CSPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies to provide a list of registered sex offenders who have indicated that they are either enrolled, employed or carrying on a vocation at DCI Career Institute.

DCI Career Institute is required to inform the campus community that a list of sex offenders will be maintained by the Executive Director/Assistant Director.

In addition, a list of all registered sex offenders in Pennsylvania is available from the <http://www.familywatchdog.us> by typing in the address where you are located or the national registry located at <http://www.sexoffender.com>.

The CSPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

This statement is provided in compliance with the Campus Sex Crimes Prevention Act of 2000.
